

PROBUS Club of North Shore Vancouver

Bridge Club Activities

The PROBUS Bridge Club was started in 2003 the same year the PROBUS Club on the Northshore was formed. There are currently 27 regular players and 8 spare players.

The Club meets every Monday from January to December (holidays and the months of July and August excepted) at 1:15 at the West Vancouver Seniors Centre (WVSC). The year is divided into 3 seasons of 12 Mondays, - January to March, April to June, and September to December.

The schedule integrates on a random basis 16 players into 4 tables located in the "Atrium" at WVSC. Format is a modified Chicago of 4 hands for 6 rounds for a total of 24 hands per session. Each playing member has the opportunity to play 7 or 8 times per season. The Club maintains a "Spares" list that regular members may call upon to fill in when they are unable to attend one of the sessions.

Each member contributes \$20.00 per season which goes towards the prizes distributed at the "wind up" plenary session in December, the "drop-in" fee at WVSC and other expenses such as prizes, playing cards, score cards, etc.

New members are welcome, - contact **Phil Boase** at pjboase@telus.net.
