

PROBUS Golf Program

The PROBUS Golf Club started in 2009 when 3 events took place. Subsequently there have been 5 events planned each year. Normally the events are held on the 3rd Monday of the months of May through September. There has been an overnight trip to Vancouver Island the past 2 years.

The five events are planned at a variety of courses throughout the Lower Mainland. Each event starts around 1:00 PM and generally all players stay at the selected course for a libation and snack food. Prizes are distributed at this gathering.

Registration for PROBUS golf is by internet. Preliminary registration is required in order to receive details for each event. When registering, there is no need to commit to any event as each event will have its own registration procedure.

There is no registration fee but we ask members to contribute \$10.00 per event (at the venue) to offset the cost of prizes. A registration form will be circulated by email 3 to 4 weeks in advance of each event. Members are requested to respond whether participating or not within the deadline provided. The draw will then be made up and circulated to the participants for that particular event.

Each event has a team competition. The draw is made up in advance and teams are balanced by individual handicaps. One competition is "The Lone Ranger" which allows for individual scoring as well as a team score. Information on competitions is included in the announcement for each event.

New members registering are requested to provide email address, street address, telephone, handicap and whether or not they require a power cart.

Preliminary registration is to be sent to **Phil Boase** at pjboase@telus.net.
