### President's Report

Best wishes and good health to all in 2007. Our Club is in good health as we begin the new year with 276 members. Your Management Committee hopes to continue the success of the Club with feedback from you. You will have received the annual survey we conduct to get your feedback on how you view the Club activities and your suggestions for improvement. Your input is important. Please complete and return the form as soon as possible.

The Christmas Lunch was great good fun. Pages two and three clearly demonstrate it. Attendance was 153, the highest to date. I very much enjoyed the opportunity to chat with many of you. It is something I am not able to do at our monthly meetings due the organizing duties of the President. Our thanks to Special Events Chair Malcolm Nicholson for organizing another fine social event.

The Management Committee has decided to honour our deceased members by presenting the Lions Gate Hospital Foundation with a contribution in their names. To do this we need your help to identify the members who passed away this year. Unfortunately, we do not always learn of the passing of a member until a member of the family informs us. If you should know of a member or members who died this year please call or send an email note to Membership Chair Ron Lively, 604-924-1614 or [ronlively@shaw.ca](mailto:ronlively@shaw.ca). Many thanks for your assistance.

I look forward to seeing you on January 16th, same time and place.

Brian Cooper

### REMEMBER

Once you get over the hill, you'll begin to pick up speed.

I love cooking with wine.

Sometimes I even put some in the food.

Never be too open-minded, your brains may fall out.

Whatever hits the fan...

Will Not Be Evenly Distributed.

Everyone has a photographic memory.  
Some, like me, just don't have any film.

I always know...

God won't give me more than I can handle

There are times I just wish He didn't trust me quite so much.
